COACHING POINTS

- Strike timing on stalk block — inside hand fit, under control into contact.
- Stay locked in: eyes up, assignment first, next-play reset.

NOTES

Play	Note
21	Nice work running your feet and letting go once the DB was out of your frame. Good job.
27	This is 100% Pass Interference . No flag thrown but contact was when the ball was in the air here. You have to do a better job of either selling that contact more OR fighting through the contact to make the catch.
28	Good route, your route held the safety inside, good job!
46	Good effort backside getting to the block
52	Don't stop your feet thats why you got pushed back here
69	as always good blocking and great effort.
98	Did not get to the block point here.
