- Walk-through: alignment, split, and route depth for your assignments.
- Stay locked in: eyes up, assignment first, next-play reset.

NOTES

Play	Note
21	Nice job getting up field after the catch.
23	did enough to keep your defender out of the play, nice job
26	Nice block going to get the bigger body and running the feet really well!
28	HUGE play and nice catch ! Elite route and awareness. Looks like Seattle switch then went to scramble drill. Just a great job adjusting on the fly and making a tough catch on a broken play. Big play Big moment. GREAT CATCH!!!
67	If mark doesn't come "help" I think you were about to get a pancake so i'm counting it.
69	I gave you a. good block here because you started the rep blocking hard, BUT you let the db go and he ended up making the tackle just remember to block downfield that opens up big plays
97	Completely missed your block here make sure you get to the block point not to where the db is pre play
