NOTES

Play	Note
19	Lets make sure we get off the line with good speed and explosion.
23	Nice job getting back to the block point after initially falling off of the block. Great Effort, nice job.
26	i'm not sure how you even got in position to make this block, great level of effort. It matters good job. Pay attention to the snap so you get off the line on time.
48	Nice catch contested over the shoulder. Good route getting to the open spot of the field with speed and hand fighting, good job being aggressive and attacking the ball
53	Nice contested catch !! Strong hands and attacking the ball, did great here remembering scramble rules and flipping your body to be able to make this catch good job!
67	Got to the right spot but your aggression and base wasn't right make sure you keep a good base so you cant be tossed so easily.

99	Tried to make the block but you got beat here, Not a full Missed Assignment but have to make sure you don't let your feet die and you drive them hard.
107	Tough catch knowing a hit is coming well done!
