COACHING POINTS

- Jugs work: 50 high-speed catches, 20 contested — focus eyes to tuck.
- Walk-through: alignment, split, and route depth for your assignments.
- Finish every rep on film — sprint off screen, block through whistle.
- Strike timing on stalk block — inside hand fit, under control into contact.
- Next-play body language: chin up, sprint back, show energy for teammates.

NOTES

Play	Note
19	Nice blokc and great effort here i like the nastiness of the blocking IF you get ever DB's smaller than you its your time to throw them around!
22	your WIDE OPEN qb missed the Touchdown here. Be careful with body language
24	Solid route ball was uncatchable landed out of bounds.
31	Aye this might be the worst rep iv ever seen you have, Make sure you going full speed and getting to your assignment. Aidan made the play buiyou completely missed your block.
34	Overthrown ball. Good route nice job selling the out first, i do think you could sell it better by slowing your route when you faking the out then turning it back up when you get vertical but QB missed another QB this game.... wide open
57	This was 100% catchable gotta find a way to catch this one
